Thanks, Doug.

I'll let Aaron know that Scott Anderson will be calling.

We spoke about White Mesa Mill and I apologize I was distracted and didn't give a full report. I understand that Mr. Sanderson (I forgot his first name) is calling to call Aaron regarding our inspection report and its findings. He is concerned that the document can be misconstrued as findings and not observations. He is seeking clarification of what our findings mean and an acknowledgment that our role during the inspection was to determine those compliance matters related to the OSR.
